When you make a tax-deductible donation, a card will be sent to the teacher during the last week of school acknowledging the donation on behalf of you and your child and their name will go on our website.

Your child and all other children in Leominster will directly benefit from your donation. Your donation will go toward providing a new computer lab to each school.

Who is the Leominster Education Foundation? We are parents, business members, elected officials and a school administrator who have joined to create a non-profit foundation to support Leominster Public Schools beyond the means of the school budget.
